

אדר תשפ"ה

“משנכנס אדר מרבין בשמחה”

שאין שם שמחה גדולה ומפוארה אלא לשמח לב עניים ויתומים
ואלמנות וגרים. שהמשמח לב האמללים האלו דומה לשכינה,
שנאמר 'להחיות רוח שפלים ולהחיות לב נדכאים'.

[רמב"ם פ"ב מהל" מגילה ה"ז]

With the coming of the month of Adar, we increase our level of joy. The Rambam posits that there is no joy grander and nobler than that of bringing joy to unfortunate souls, for one who acts in this manner follows in the ways of Hashem.

Every year before the holiday of Purim, the Bnei HaYeshiva conduct a campaign to collect Tzedakah, which will be distributed to needy individuals during Purim and after Purim. For this purpose, they will be visiting homes in the Baltimore area during the next few days.
